Sir:

Applicant's representative is in receipt of an Interview Summary that was mailed out from the U.S. Patent and Trademark Office on November 3, 2008, which sets forth the substance of a telephonic interview conducted between Examiner Victor S. Chang and Applicant's representative, Mr. Matthew J. Kremer (Reg. No. 58,671), on October 31, 2008. Mr. Kremer inquired why the claims drawn to the upholstery part that does not specify the use of fibers in the protective layer was not a generic species of the upholstery part that does specify the use of fibers in the protective layer. Examiner Chang maintained the restriction was proper.
